Heard Mr. B.P. Rao, counsel for the petitioner.

By the instant writ petition under Article 226/227 of the Constitution of India, the petitioner has prayed that respondent No.3 be directed to consider the case of the petitioner for compassionate appointment on account of the retirement of the petitioner's father on medical ground.

The case of the petitioner is that the father of the petitioner was employed as Office Assistant in the EPS Electrical Construction Department of Bhilai Steel Plant (respondent No.2). Subsequently, the father of the petitioner suffered from certain mental diseases, stomach problems etc.. He was treated at Bhilai Steel Plant Hospital for a long time and ultimately, he was declared Permanent Medical Unfit for the job by the Medical Board of Bhilai Steel Plant. Based on that, the petitioner's father was terminated from the duties on 31-12-1998 and on that basis, the petitioner's father submitted an application for compassionate appointment of the petitioner. Unfortunately, the father of the petitioner passed away on 1-12-2000. Even after the lapse of 6-7 years, the respondents have not considered the case of the petitioner, whereas, as per the Memorandum of Agreement dated 29th July, 1979, applicable in the Steel Authority including the respondents, the petitioner is entitled for compassionate appointment.

Learned counsel for the petitioner submitted that on similar ground number of persons have been appointed on compassionate appointment, whereas, the case of the petitioner is not being considered in spite of the application submitted by the father of the petitioner for compassionate appointment of his son. Therefore, the respondents be directed to consider the application of the father of the petitioner and pass appropriate order in the matter.
